### Lotteri-kassen

Lotteri-kassen indeholder store og små vine, hvor vi er usikre på flaskens indhold. Det kan være fordi, vi ikke har viden om, hvordan vinen har været opbevaret eller vinen kan komme fra en god kælder men stand, farve og lignende kan indikerer, at vinen ikke lever op til forventningerne. **Så der er INGEN GARANTI på flaskerne** - tilgængæld sælges de langt under den pris, de ville koste i perfekt stand. Så du køber en lotteriseddel - med mulighed for en stor oplevelse til få penge - eller du har købt en flaske til din eddikemor.
